Dr. Karen E. Moeller is a Clinical Assistant Professor in the Department of Pharmacy Practice and Department of Psychiatry and Behavioral Medicine at The University of Kansas Medical Center. She earned her Doctor of Pharmacy degree from Virginia Commonwealth University, The Medical College of Virginia in 2000 and earned a Bachelor of Science degree in chemistry and mathematics from The University of Tennessee, Knoxville in 1996. She also has completed residencies in hospital pharmacy practice and in psychiatric pharmacy practice at West Virginia University during 2000-2002. In 2003, Dr. Moeller became board certified in psychiatric pharmacy. Dr. Moeller is also a Clinical Pharmacist Specialist in psychiatry and participates in daily patient rounds on the adult inpatient psychiatry unit at The University of Kansas Hospitals. Currently, Dr. Moeller teaches a variety of classes in the school of pharmacy in the areas of psychiatry and substance abuse.
