HABITAT ON THE HILL

February 24th through the 26th Jacki Murdock, our KU Habitat events coordinator, will be traveling to Washington D.C. where she will have the opportunity to work with lobbyists associated with International Habitat for Humanity. They are trying to get Congress to pass a bill that would allot money to help rebuild impoverished homes which would reduce poverty housing and create better living conditions for those in need.

'HIRE A HABITAT' TO CONTINUE THIS SPRING

Our past 'Hire a Habitat' events were such a success that we are organizing more days for you to volunteer around the community in exchange for donations which are directed towards the Lawrence Habitat for Humanity and towards our kid's playhouses. This semester's dates are March 7th, March 27th, and April 17th. If you are interested in helping out, come to one of our meetings to get more information.

KID'S PLAYHOUSES

We're currently building our first kid's playhouse that we'll continue constructing over the winter months. Our next playhouse build day will be determined at our February 2nd General Meeting.
